

# SINGLE-USE PLASTICS

## INACTION AT THE POLICY LEVEL IN CANADA

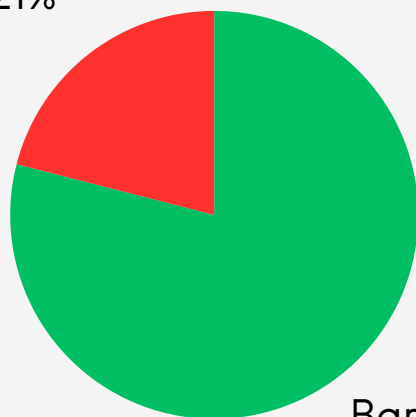

WWF

According to WWF, 79% of Canadians support a ban on single-use plastics

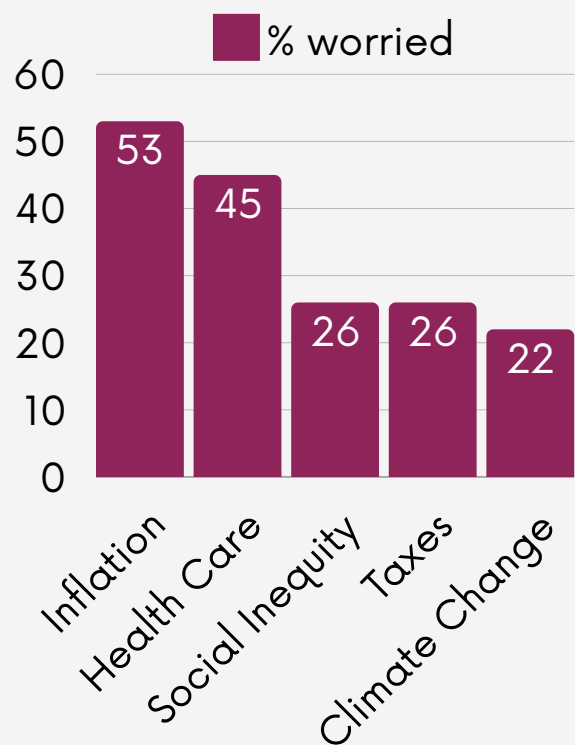

## ISSUES

However, Canadians are also worried about economic issues

Don't ban  
21%

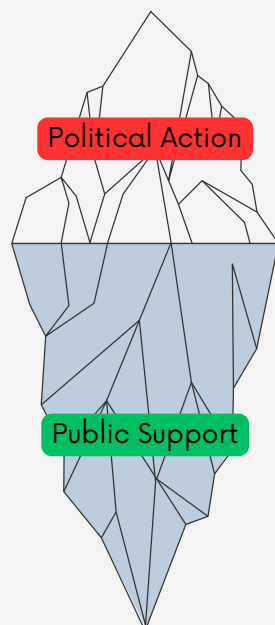

Ban  
79%

I suppose  
environmental issues  
are important...

...but the affordability  
crisis affects me every  
day

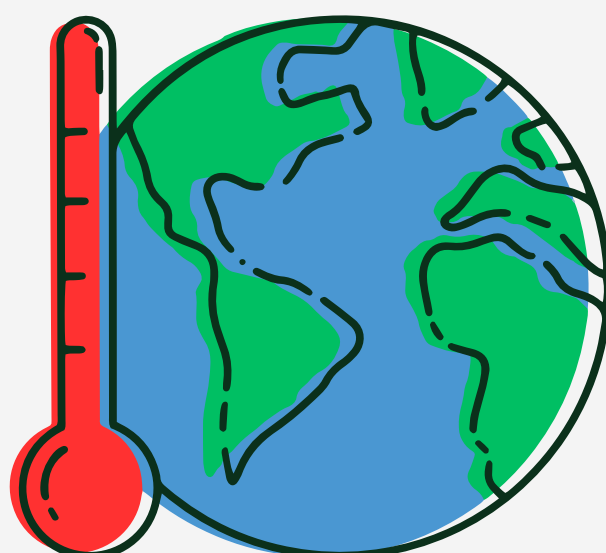

VOTE

Economic concerns drive political  
action, even with limited focus on  
environmental issues.

WHEN WILL THE ENVIRONMENT BE A  
HOT ENOUGH TOPIC TO COMPETE  
WITH THE ECONOMY?
